I am an HR Consultant with long and broad experience from all HR areas in complex and rapidly changing environments. I take on interim assignments or various projects. I enjoy working in multicultural organizations and teams but also in fast-growing start-up companies. As an employee, I had assignments such as Nordic HR Director within the pharmaceutical industry but also FMCG. As a consultant I have been working in a broad range of industries.

Selection of experiences

- Establishment of new organizations on the Nordic market
- Major downsizing
- Fast growing organizations
- HR transformation and implementation of Shared Service Center
- Outsourcing
- Mergers and Business Transfers
- Union negotiations
- Benefit and policy reviews
- Cross-functional team effectiveness training
- Leadership training

Education

- BSc Labour Law, University of Lund
